PRESIDENT'S MESSAGE

This is the last Newsletter before the National meet. We already have more cars Pre-registered this year than we had at the National meet last year. We have a big weekend planned for everyone and hope all of you can make it to the 2nd annual national meet, on Aug 14-15 1981.

Some of you may have noticed that the Newsletters have been sent first class the last two months, since we have done this, we have had no problems with anyone not getting their newsletter. This will be brought up at the National meet as to what we shall do, mail them 3rd class and take 2-4 weeks for delivery or to raise dues about \$2.00 - \$3.00 per year and mail them 1st class. Be thinking about this and anything else you might want to discuss at the business meeting.

Roy E. Sword, President
Falcon Club of America

NOTE:

All members please indicate their FCA number when writing to the Club.
